I'm Beth, the pharmacist behind The Traveler's Pharmacy. I was pursuing a pretty typical career in pharmacy when life gave me an opportunity I couldn't pass up. I said goodbye to my job and moved to Italy with my husband. I love helping others find ways to feel their best. To me, a pharmacy has always been more than a place to pick up a prescription. It's a place to ask advice, find support, and learn together. If you have any questions or feedback, reach out at any time, I'd love to hear from you!

Happy Adventuring!

Beth
